

# "I Am"

**I AM** a Child of God, empowered by The Holy Spirit to achieve greatness. There can be no better husband to Lori Beth than **I AM**. **I AM** the absolute finest father to Jayse and Raegan  
**I AM** the owner of Cognitecture, LLC. **I AM** coaching people I love to become the very best versions of themselves while they create the life they dream of.  
The more lives **I AM** impacting, the wealthier **I AM** becoming.  
**I AM** preparing our family for the next forty years in a way that creates generational wealth and togetherness. **I AM** leaving a legacy of uncommon greatness.

Challenge yourself to think bigger than the person that you currently are. Connect to the achievements that you will envision for yourself.  
Designed thinking leads to self-belief and actualization.
